Coordinator of Rides to Church
and Volunteers to Drive:

Frequently there are requests from folks who are unable to drive to Church for some reason or another. Sometimes it's that they no longer have a car and other times it's because they have a temporary condition that makes it hard for them to drive. We have parishioners spread out all over the Lake. Not everyone knows who lives nearby.

Please call the office to offer your service or to request a ride. We'll do our best to find help. With the Social Concerns Commission looking for new leadership, it is difficult to coordinate some of these things.

If you would be willing to coordinate these rides by matching the requests with volunteers who live nearby, that would be wonderful. Please call the office.

Flag Disposal:

Do you have a tattered flag that needs a proper disposal? The Boy Scouts can assist with this. Please deposit your old flags in the collection box near the Welcome Center.

St. Nicholas Academy in Jefferson City is a supportive living experience for boys from families that are under-resourced who want to give their sons every opportunity to succeed in school and life. St. Nick's partners with families and St. Peter Interparish School to provide this opportunity. St. Nick's is seeking Christian, married couples or single individuals who are willing to be part of a pool of relief parents. The role of relief parents is to care for the boys and home when the full-time house parents are off duty or away.

Typically, the full-time house parents are off duty every fourth weekend from 9:00 AM Friday through 7:00 PM Sunday. Relief parents, on a rotational schedule, fill in during this time. They may also be asked to be on a call list to help fill in when the house parents are on vacation and/or sick.

Relief parents receive an hourly wage, all legally mandated benefits and a compensation package that includes a private suite and all meals for the days on duty.
